

Lucy Wise Trio

Hailing from the far South Western corner of Australia, singer-songwriter Lucy Wise has delighted audiences across Australia, New Zealand and the UK with her unique blend of folk, chamber and pop music combined with masterful storytelling and a soulful voice. Drawing inspiration from her background in Appalachian and Celtic folk music as well as legendary songwriters such as Joni Mitchell and Bob Dylan, Lucy's songs sketch universally recognisable stories that are grounded in the realities of everyday experience.

Her band includes Chris Stone (violin), Holly Downes (double bass) of New-Acoustic Instrumental trio, The String Contingent. Using rich textures and intricate arrangements, Lucy Wise Trio brings to life the characters of near and faraway places, traversing the landscapes of memory, travel, and human relationships to place.

"A wonderfully natural singer and uncommonly gifted writer. Prediction: within this decade Lucy will be a noted songster, worldwide."
